

Guidance for Families Planning a Funeral Liturgy

When a loved one passes away, the parish is here to support you with care and dignity as you prepare the funeral liturgy. To ensure that the rites are arranged properly and reflect the faith and wishes of the family, **it is essential that the relatives of the deceased contact Fr Savi directly to arrange a meeting.**

This meeting allows the priest to guide you through the liturgy, discuss readings and music, and prepare the celebration in a way that honours the life of the departed.

Please note:

Without this meeting, **Fr Savi will be unable to plan the funeral liturgy in the appropriate and pastoral manner that the Church requires.**

Families are kindly asked to make contact as early as possible after speaking with the funeral director, so that suitable arrangements can be made. Email: priestbangor@rcdwxm.org.uk or 01248 370421
